# Success Ikhinobebe

## Summary

I am mostly a goal-driven individual who loves to feel good after completing a task, hence I put in a lot of work to wow my clients or employers, while also getting the job done. In achieving this, I am usually open to doing whatever I need to do, including learning whatever I need to learn. I am excellence driven.

## Experience

### EPTA Digital Agency

Front End Web Developer (contract), Lagos

I worked on building the front end of the company's official website, pushing code to Github, and also cleaning code.

## Skills

- HTML5
- JavaScript
- Bootstrap
- CSS3
- Vue.js

## Education

### Petroleum Engineering

University of Benin, Benin, Edo state

I am the class representative, while also maintaining above 4.2 out of 5.

## Languages

- English
